

## ACTIVITY 4: OUR OLDEST BUILDING

### Our Oldest Building

a drawing or photograph

1. When was the oldest building in your area built ?  
 How old is it now ? Why was it built?  
 Do you know anything about its history ?
2. Draw a picture or take a photograph and stick it in the space in the OUR LOCALITY 1 poster.

### FURTHER SUGGESTIONS:

Make a special study of the building using digital photography.  
 Write a little about each photograph. Perhaps you could take some  
 stone or metal rubbings of any engravings on the building.
