1. When your parents were young it was very unusual to hear any language but English and or Irish spoken in our country. Time has changed that and now there are people who speak several other languages. Perhaps parents of children in your class speak a language that's not English or Irish.
2. Write a few common greetings in the new languages you can sometimes hear in your locality and say what language each greeting is.
3. When you have completed this activity stick it on the OUR LOCALITY 2 poster, under activity 14.
